

## **WXLV Closings System:**

How utilize the WXLV closings and delays system:

You may obtain a secure user ID and Password for the closings system by calling us at 336.722.4545 during normal business hours.

Inform the operator that you wish to list your organization on the WXLV closings system.

One of our staff will be happy to assist you in getting an ID and Password to access the closings web interface.

You can also reach us by email at [closings@abc45.com](mailto:closings@abc45.com).

Once registered you may securely close, delay, or reschedule your organization by visiting our website at: <http://abc45.com/weather/closings-login>

Alternately you may close, delay, or reschedule your organization by phone.

The phone access numbers are as follows: 336-499-1788, 336-499-1798, 336-499-8203.

Once you are logged with your secure user ID and Password you may select a primary and optional secondary status for your organization as needed.

Additionally you may modify or remove any status for your organization as needed.

The Closings System is automated; it clears all listings each evening at 11:00 PM in order to stay as current as possible.

If you have any questions or concerns; please contact us at 336.722.4545 or email us at [closings@abc45.com](mailto:closings@abc45.com).
